

# SHAYNA BARCLAY

## Full-Stack Web Developer

Washington DC | 240.869.0958 | [shaynambarclay@gmail.com](mailto:shaynambarclay@gmail.com) | <https://aboutshayna.dev>

### ABOUT ME

Full-stack web developer skilled in building responsive, user-friendly applications. Experienced in developing modular components, collaborating on cross-functional remote teams, and managing freelance projects from start to finish. Passionate about creating web solutions that balance clean design with strong functionality, delivering high-quality, production-ready code on time.

### EXPERIENCE

FREELANCE WEB DEVELOPER | REMOTE (U.S. & WORLDWIDE)  
OCTOBER 2024 - PRESENT

- Designed and developed custom websites for small businesses, improving usability and increasing site traffic by up to **40%** through responsive layouts and SEO optimization.
- Delivered **client-focused solutions** aligned with business goals, collaborating directly with clients and adapting to feedback to ensure results.
- Managed projects from planning to launch while also contributing to personal and collaborative side projects to sharpen skills and explore new approaches.

### PROJECTS

- [Moon & Cards](#) – Interactive web app that generates personalized tarot readings using AI, providing users with insightful guidance and an engaging experience. *(React, AI Integration, APIs)*
- [The Skindex Analyzer](#) – Full-stack app for analyzing skin data and providing insights. *(React, Node.js, Express, Firebase, AI Integration)*
- [Crimson Vial Commissions](#) – Commission request platform with instant email notifications. *(React, EmailJS)*
- [My Happy Little Journal](#) – Mood tracking app with AI-generated feedback and API integrations. *(React, Express, Node.js, Axios, AI Integration)*
